

I accepted Jesus Christ as my Lord and personal Savior on November 18, 1988, and I made a decision at that time to be the best servant for God that I could possibly be. God has been so good and has blessed me so much since that day. I do regret wasting so much of my life in the world, but I know that there is no need to worry about the past, because it has been forgiven and forgotten. It is now my desire to go forward for Jesus Christ, and to tell as many people as I can about His love, His mercy, and His saving Grace.

I was born and raised in Lynchburg, VA and there were seven children in my family. I had 2 sisters and 4 brothers. I was blessed to have had a Christian mother and dad. I was told of Jesus at an early age, but as many others do, I lived in the world thinking that life couldn't be any fun going to church and serving God. (Boy, was I ever wrong.)

I lost 3 brothers to Muscular Dystrophy be-

tween the ages of 15 to 23 years old. The first three children in my family were fine, the next two boys had M.D., then there was me, and I was fine, and then the youngest brother had M.D. Eventually this dreaded disease would also take 3 nephews from my two sisters. I have often wondered why this happened to them and not me. I now know that God had a purpose for my life and that purpose is to spread the Gospel of Jesus Christ through song. I saw my family go through a lot of heartache, especially my mother. Mom never complained, always praising her Lord, and asking God to give her strength to take care of her family. After the last of the boys passed away, He called Mama home. I'm so thankful for a Mother that never stopped praying for me.

I married Brenda on June 23, 1979 and we did not attend church until her mother finally convinced us to visit her church. As a result, we found our true love (The Love of Jesus Christ). We have two children, Donnie Jr. and Brooke. Donnie is serving in the U.S. Navy and Brooke attends college. We worship at Temple Baptist Church in Madison Heights, VA. I know that I am truly nothing without Jesus Christ, but through Him all things are possible. My prayer is that God will continue to use me and to lead me in the way that He would have me go.

In my service for our Lord, I pray that if it's God's will, one day; I will have the opportunity to share my ministry thru song with you and your church.

To God be the Glory!
